

# TOLEDO

## Through or Around?

I-75 North  
(to Detroit) →

7 miles

*Did you know that going through Toledo is shorter and can be faster than following I-75 around the city?*

*If I-75 traffic is very heavy or delayed due to construction or a traffic incident, consider going through the city instead.*

*Try it . . . you might like it.*

3 3/4 miles
